

Salary search: What do Illinois teachers get paid?

February 1, 2009

BY ART GOLAB Staff Reporter

This searchable database contains job and salary information for teachers and administrators at every public school in Illinois from the 2007-2008 school year, according to records kept by the Illinois State Board of Education. Salary reflects total compensation, including benefits, unused sick days and vacation. In addition to searching by name, you can also look at all the salaries for a certain job title or department. Such searches will be automatically sorted with the highest salaries shown first.
