Cliff, Jeff had written a letter to Steve Cutaia dated 5/11 in which he set forth certain matters with respect to the Spagnolo property and the last rainfall event. I thought you had been copied on that letter. The potential witnesses that I interviewed were Bernie Bono and Steve Cutaia. Buzz

Everette,

I received your letter of 5/11/2012 and ask for one clarification and require further information.

1. I have no idea of what you are referencing in respect to matters raised in an 5/11 e-mail to Steve Cutaia, I have not contacted Steve by e-mail, phone or any correspondence on or near that date.
