

1 MS. JONES: How dare I say something to him.

2 MR. MC CABE: Has there been any other
3 discussion about -- since the May 22nd meeting, any
4 other discussion? Have you talked to anybody about
5 anything before today in that interim?

6 MS. JONES: No.

7 MR. MC CABE: So you had notice from us, and
8 that was --

9 MS. JONES: I talked to Keri.

10 MR. MC CABE: Keri-Lyn?

11 MS. JONES: Yeah.

12 MS. KOSTOPUOS: And then did she or Laura
13 suggest that you prepare this document?

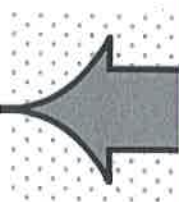

14 MS. JONES: Yeah.

15 MS. KOSTOPUOS: This complaint?

16 MS. JONES: Yeah. I asked Laura if I could
17 use her scanner at the office to send it because
18 mine at home wasn't working and I didn't want to
19 use the Township, but she wasn't there when I went
20 in.

21 MR. MC CABE: Who suggested that you prepare
22 the complaint?

23 MS. JONES: Keri-Lyn. I talked to her the
24 next day. After the meeting, Keri-Lyn said -- I

1 waited until everybody left pretty much, and we
2 were talking about it, and she was like, wow, that
3 was bizarre. And she said, well, why don't you
4 call me tomorrow and we can talk about this? And
5 then when I spoke to her the next day, she said,
6 well, you really -- she was reading our policy and
7 going over our policy and just -- you know, at that
8 point, when we were going through the policy over
9 the phone realized that there's some things that
10 needed to be changed in the policy as far as
11 reporting, who to report to. And she said, well,
12 you really need to write a written -- I'm going to
13 ask you to write a written complaint. I said okay,
14 and that was it.

15 MR. MC CABE: Okay. Do you have other
16 questions, Margaret?

17 MS. KOSTOPUOS: Well, okay. So I always ask
18 this. How would you like to see this resolved?

19 MS. JONES: Well --

20 MS. KOSTOPUOS: Not that we'll advise because
21 of your desire for a resolution, but what would
22 anything make you more comfortable in this
23 environment?

24 MS. JONES: So I'll just preface it with this.
