

Invitation to April 8 Supt. Candidate Reception

Posted on 4/5/2010 by Bernadette Tramm

An Invitation from Board President John Heyde:

As you know, the Board of Education in recent weeks has been in the final phase of identifying an outstanding new leader to become District 64 Superintendent. Guided by the values and priorities identified in the *Leadership Profile* our community developed in December, the Board has identified a preferred candidate. We would like to introduce this candidate to our community before making a final decision.

It is my pleasure to invite you to meet the candidate during a visit to our community. Please plan to attend an informal reception on Thursday, April 8 from 7:00 p.m. – 8:00 p.m. at Washington School (Learning Resource Center), 1500 Stewart Ave., Park Ridge. This will be an opportunity to meet and learn about the candidate, and for the candidate to hear first-hand about the vision we have for our schools.

We encourage you to join us.

John Heyde, *Board President*
