Acceptance of Terms and Conditions Points for Negotiation

Event Area – ToPR requests exclusive use of the event area during the event.

Event Area – ToPR in years past has secured use of about 40% of the library parking lot used for an event operations trailer, dumpsters, and parking areas for food vendor deliveries. This was not marked on the event map. We request to use this space again in 2012.

Hours – ToPR would like to discuss extending the closing hours to 11pm.

Take Down – Grease stains can take longer than 48 hours to locate and remove. ToPR would like to extend that deadline to seven days.

Financial Records – Event finances can take up to three months to finalize and compile. We would request that long to present the final numbers.

City Service Costs – ToPR agrees to pay for City Services, and that there should be no expense to the City of Park Ridge for this event. However, due to the fact that these fees are listed as “approximate and subject to change”, we anticipate that we can meet with the event manager and/or the heads of each of these departments in an effort to itemize and reduce these costs.

Supervision of Volunteers – We request the ability to clarify the indemnity clause of the volunteer section, especially with regard to the coverage of volunteer’s families.

Damage Deposit/ Bond – ToPR is willing to repair or replace any damaged property. We can provide a \$20,000 letter of credit.
