- Everyone benefits from contributing to the well-being of others.
- Understanding diversity is essential to thrive in an interdependent, global community.
- Change is inevitable and challenges us to grow.

### **Mission**

The mission of District 64, a vital partnership of staff, families and community, is to inspire all students to embrace learning, discover their strengths and achieve personal excellence in order to thrive in and contribute to a rapidly changing world by providing a rich, rigorous and innovative curriculum integrating civil behavior and fostering resilience.

### **Parameters**

- We will always maintain safe, supportive learning environments.
- We will not tolerate behavior that is demeaning or disrespectful to any individual or group.
- School improvement plans will always be consistent with the strategic plan of the District.
- No new program or service will be accepted unless it is consistent with the strategic plan, benefits clearly justify the costs, and provisions are made for professional development and program evaluation.
- No program or service will be retained unless it provides an optimal contribution to the mission and benefits continue to justify the cost.
- Student performance on the Illinois Standards Achievement Tests (ISATs) will always compare favorably with other high-achieving districts.
- Absent dire unforeseen financial circumstances, the District will honor its commitment to not seek a referendum before 2017.
- We will always maintain programming that addresses the academic, social-emotional and physical development of the whole child.

### **Objectives**

All students will meet or exceed the District's targeted benchmarks for critical thinking, creative expression and problem solving.

Each student will identify, set and achieve personally challenging goals related to academics, civil behavior, talents, and interests.

### **Strategies & Action Plans**

**Strategy I: We will accelerate the use of advanced technology as an integral component of the educational program and to effectively manage our system.**

- **Action Plan 1:** Implement the Technology Scope and Sequence Curriculum that is under development by the District 64 Technology Action Team.
- **Action Plan 2:** Ensure that all staff adhere to a minimum standard of technology proficiency and continually advance their technology acumen.

- **Action Plan 3:** Provide resources to assist educators to create, maintain and integrate educational experiences with various technologies as the medium.
- **Action Plan 4:** Utilize available technology to manage our schools more efficiently and effectively.
- **Action Plan 5:** Utilize technology to inform and communicate with the community.
- **Action Plan 6:** Build appropriate network infrastructure to support the advanced use of technology throughout the District.
- **Action Plan 7:** Implement a District 64 "Technology Implementation Committee" (TIC), modeled on similar functions in the private sector and at the state and federal levels, to ensure value-driven technology implementation.
- **Action Plan 8:** Form a "Board Advanced Technology Committee" (BATC) to advise and alert the Board of Education about advanced technology issues.

**Strategy II: We will develop and implement a system for setting, measuring and achieving personally challenging goals for each student related to academics, civil behavior, talents, and interests.**

- **Action Plan 1:** Grades K-2 students will set goals with adult guidance.
- **Action Plan 2:** Grades 3-5 students will set and reflect upon goals in 4 categories: academic, civil behavior, talents, and interests. Adult guidance will be used in this process with the goal of the student taking more responsibility over time.
- **Action Plan 3:** Grades 6-8 students will set, monitor and regularly reflect upon goals in 4 categories: academic, civil behavior, talents, and interests. Adult guidance will be used in this process with the goal of the student taking more responsibility over time.

**Strategy III: We will develop and implement plans to ensure all members of our vital partnership (staff, families, community members and organizations) are working collaboratively to help us achieve our mission.**

- **Action Plan 1:** Expand the involvement of all members of our partnership in order to provide a rich, more powerful and diverse student learning experience.
- **Action Plan 2:** Establish service learning for all students in District 64 through authentic educational experiences, which will inspire students to become engaged learners in their community.
- **Action Plan 3:** Improve the collaborative relationship between District 64 and families who do not speak English.

**Strategy IV: We will define and clarify expectations for student learning, ensure all staff effectively differentiate instruction, and use assessment data to support students in meeting or exceeding the District's targeted benchmarks.**

- **Action Plan 1:** Establish Power Standards for each grade level in all core, encore and specials areas, critical thinking, creative expression and problem solving.
