If you don't help save our Library Services, who will?

The Park Ridge Public Library's funding has been repeatedly *reduced* by the City Council and *is now \$550,000 less than it was in 2008!* We face more cuts and new fees for kids' programs, DVDs, and more - even for basic computer use!

What can you do? Vote "Yes" on the library referendum. The tax levy will actually increase just 0.078% (from the current 0.290% to 0.368%). ***To help save our library services will cost you only about \$20.76 for every \$100,000 in fair market value of your home!***

The library receives only 2.7 cents of every property tax dollar you pay. It's the best value in town and the last place we should cut funding.

On November 4, please go to the next-to-last question on your ballot, read the entire question, and

Vote YES, on the Library Referendum!

Halt New Fees on Movie DVD's and Blu-Rays

Stop Sky Rocketing Fees and Keep Computer Time Free for All!

Stop Cuts to Children's Reading Programs
