[Cindy McDonald Grau](#) Don't pay the fees-they have no mechanism to enforce this. They admitted as much in the meeting.

[Cindy McDonald Grau](#) Also for the record- my son tutors for \$20 an hour but not at the library. It will be interesting to see the next Public Watchdog to see who gets skewered next.

[Malcolm Hawkes](#) Which board members voted in favor of the fee and how are library board members appointed / elected ? I.e how do we as a community ensure that those that run our library are people that put the interests of the community over their own personal relationships ?

[Cindy McDonald Grau](#) They are appointed by the city council. The person who started all this was reappointed after the community asked he not be. We need new alderman and s new mayor.
