Jon Branham, City of Park Ridge
April 13, 2018

Mr Branham:

I represent ownership of the property at 104 Main Street. Pusheen Corp has a lease in place for the first floor office space (the former Wells Fargo bank). The Bank built out the space for office use several years ago, and ownership acknowledges and is happy with the continued office use of the space. It is my understanding that the company will use the space as-is with no changes. We are pleased that the company has grown and is expanding from their current space on the second floor to include more space within the building.

If there is anything else I can provide, please contact me.
Regards,

Owen J. Hayes II
